Data interface:	swisseldex datahub

With my signature, I confirm the above conditions and the legality of my information.

Location, Date	
Signature	

¹ Can be left blank if you only have one counter. There may be several meters if the heat pump or PV system has its own meter. Attention: If you are a condominium owner and would like to include the general electricity in the LEG and at the same time have an apartment in this building, then a separate form for the general electricity must be filled out.

² Can be left blank if you are a pure consumer.
